

Lister Steps Carnegie Community Hub activities are supported by a skilled team of hardworking volunteers. We are looking for new people to join the project during its development phase and we have a number of volunteer roles to suit a wide range of skills and interests. You don't need experience in heritage to join us, just be enthusiastic and reliable!

All roles offer flexible hours to work around your existing commitments and are voluntary. An induction and full training is provided.

Volunteers are expected to foster Lister Steps values of courage, creativity, respect, commitment and integrity in a child centred environment.
