

Lister Steps Carnegie Community Hub activities are supported by a skilled team of hardworking volunteers. We are looking for new people to join the project during its development phase and we have a number of volunteer roles to suit a wide range of skills and interests. You don't need experience in heritage to join us, just be enthusiastic and reliable!

All roles offer flexible hours to work around your existing commitments and are voluntary. An induction and full training is provided.

Volunteers are expected to foster Lister Steps values of courage, creativity, respect, commitment and integrity in a child centred environment.

Volunteer Role: Researcher

Term:

- Ongoing for the duration of the project.
- Commit to a minimum of one hour per week.
- Flexible hours and locations.

Purpose:

- The 'Researcher' role aims to conduct research relevant to the Lister Steps Carnegie Community Hub project.

Responsibilities:

- To conduct historical research relevant to the LSCCH project
- To collate and present the research in a clear manner
- To attend appropriate talks, events and archives
- To contribute towards LSCCH website content and social media
- To attend and contribute towards LSCCH events
- To work closely with the Heritage Development Officer
- To be committed to safeguarding and promoting the welfare of children and young people at all times

Key Skills and Areas of Interest:

- Have an interest in the LSCCH project
- Be an enthusiastic researcher
- Be able to work as part of a team
